

# Veterinary Prescription

Pet Name: Unnamed  
Pet Number: PET-1762356192755-172  
Disease: Lumpy skin disease

## Prescription Schedule

Date	Time	Medicine	Dosage	Route	Duration	Notes
2025-11-05	08:00	Supportive Fluids (Electrolyte Solution)	50-100 ml/kg oral/IV	oral/injectable	Until hydrated	Prevent dehydration for Lumpy skin disease; vet monitor (tailor for Dog if ruminant/herbivore)
2025-11-05	14:00	Multivitamin Injection	5-10 ml IM	injectable	7 days	Boost immunity for Lumpy skin disease; animal-specific (tailor for Dog if ruminant/herbivore)
2025-11-05	20:00	Probiotic Supplement	1 dose oral	oral	10 days	Support gut health for Lumpy skin disease recovery (tailor for Dog if ruminant/herbivore)
2025-11-05	Daily	Pain Relief (NSAID if fever/pain)	As per vet (e.g., 1.1 mg/kg)	oral/injectable	3-5 days	Only if symptoms present; monitor closely for Lumpy skin disease

## Diet & Recovery Plan

Date	Feeding Time	Food Type	Quantity	Notes
2025-11-05	morning	High-Fiber Soft Feed or Hay	100-200g (pet) or 5-7kg (cow)	Easily digestible base for Lumpy skin disease; adjust for animal (tailor for Dog if ruminant/herbivore)
2025-11-05	afternoon	Nutrient-Rich Broth or Pellets	75-150g (pet) or 3-4kg (cow)	Energy boost for Lumpy skin disease; add electrolytes (tailor for Dog if ruminant/herbivore)
2025-11-05	evening	Protein Supplement (Pellets or Lean Source)	50-100g (pet) or 1-2kg (cow)	Lumpy skin disease recovery support; probiotic-mixed (tailor for Dog if ruminant/herbivore)
2025-11-05	Daily	Clean Water + Mineral Supplements	Ad lib	Essential for hydration in Lumpy skin disease; monitor intake daily (tailor for Dog if ruminant/herbivore)

## Owner-Friendly Explanation

For Lumpy skin disease, this is supportive care focused on hydration, nutrition, and preventing complications—no specific cure. Tailor to Dog type (e.g., herbivore for cows). Isolate pet, control vectors (flies/insects if applicable). Monitor daily (temp, appetite)—consult vet immediately for hands-on treatment. This is AI-generated; not a substitute for professional care.
